- All families will be given sufficient time to make payments for excursions and camps. Parents will be provided with permission forms and excursion information clearly stating payment finalization dates. Children whose payment have not been finalized at least 24 hours prior to the departure date will not be allowed to attend unless alternative payment arrangements have been organized with the Business Manager.

Teacher responsibility

- A designated “Teacher in Charge” will coordinate each excursion. All camps will have a member of the leadership team in attendance where possible.
- The classroom teacher must ensure that the event roll is marked online before departing for an excursion. The classroom teacher or teacher in charge must provide the school office with a list of students who are present at school but are not attending the excursion. Regular attendance checks should be conducted throughout the day, as well as on return to school.
- All students must have consent and payment to be able to attend the excursion. Completed consent and medical information must be accessible by excursion staff at all times, via the Compass excursion handbook and/or paper consent forms.
- The school will provide a first aid kit for each excursion. The teacher in charge is responsible for collecting these prior to leaving. Epipens and/or asthma puffers should be accounted for.
- The teacher in charge will communicate the anticipated return time with the school office in the case where excursions are returning out of school hours. Compass will provide updates on return time should this differ from the original notification
- Parents with current Working with Children checks may be invited to assist in the delivery of excursions

- Disciplinary measures apply to students on camps and excursions consistent with the School's Student Management policy. In extreme cases the camp or excursion staff, following consultation with, and the approval of, the principal or their delegate, may determine that a student should return home during a camp or excursion. - All excursion staff and, where appropriate, the students, will be familiar with the specific procedures for dealing with emergencies on each excursion, via the Risk Assessment
- On days of extreme fire danger or total fire ban, the Principal may need to cancel an excursion at short notice.
- Excursion groups will be equipped with mobile telephones and first aid kits to be used in emergency situations.
